STATE OK'S WORK

Construction On New City Library To Begin Friday

State Library officials in Austin approved the Cameron Library contract last Friday giving the go-ahead for construction to begin, according to Library Building Chairman E. A. Perrin.

Perrin said Monday that bids would be let for equipment and furnishings at 3 p.m. Friday.

Coffield Construction Co., of Rockdale, who was awarded the building contract will begin moving in equipment Friday, Perrin said.

The \$65,000 library will be one of the first libraries under the new matching state-federal library proposals to be constructed, officials

said.

Cameron contributions totaled about \$43,000 and state-federal funds will match \$40,000 of the amount to assure construction of the new facility. Funds over the contract price of \$65,000 will be used for the equipment and furnishings.

BECOMES REALITY

When the actual construction of the new library gets underway Friday, it will bring to a reality years of hard work by many Cameron residents.

Plans for the library were unveiled in October of 1963 when a \$40,000 library was anticipated.

The completion of the architect's sketch followed many previous years of work.

The structure of the library will remain the same as in the original plans with brick, arched glass and pre-stressed stone building.

Completed plans have enlarged the library from 2,028 square feet to 4,000 square feet. Architect David R. Carnahan of Waco is project architect.

Capacity for housing volumes will also be much greater. Interior space will house some 28,000 volumes instead of the anticipated 6,000 volumes.

E. FOURTH SITE

Construction of the library will get underway at the East Fourth Street library site which was given to the library project by the City of Cameron.

The setting will be about 90 feet back from the roadway with a parking lot planned to the west of the building and a drive-in entrance on the south side.

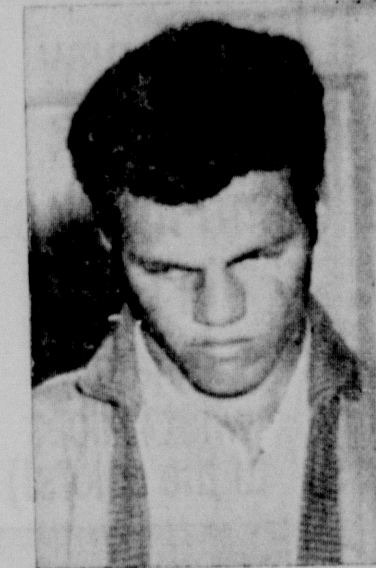

Cameron's new library will be complete with central heating, air-conditioning and a adequate room for desks, book shelves, stacks and reading chairs.

Queens, Kings Crowned At Rogers Carnival

ROGERS

Before one of the largest crowds in Rogers P.T.A. carnival history, Supt. B. F. Harbour crowned the winners in the various school divisions as queens and kings Saturday night in the gymnasium. Darwin Schwertner presented bouquets.

Caroline Vasicek, daughter of Mr. and Mrs. Frank Vasicek, was crowned queen of the High School and David Sebek, son of Mr. and Mrs. Joe Sebek, king. Both are seniors. In the junior high school division, Beverlee Hill, daughter of Mr. and Mrs. Dwayne Hill was queen; and Henry Caba, son of Mr. and Mrs. Jerry Caba, king. They are 8th graders. In the intermediate section, from Mrs. Imogene Harbour's 5th grade, Janet Hill, daughter of Mr. and Mrs. Ray Hill; and Ricky Gommert, son of Mr. and Mrs. Dean Gommert, king. In the primary division, from Mrs. Edith Starnes' 2nd grade, the queen was Cynthia Mayfield, daughter of Mr. and Mrs. Sherman Mayfield; and Gary Hill, son of Mr. and Mrs. Ray Hill, was king.

Duchesses and Dukes were: Linda Guess, Bobby Jack Nabours, Doris Morgan, Dwight Belicek, Deborah Gerza, Kevin Schneider, Elaine Bartek, Billy Jim Nabours, Donna Cross, Danny Weems, Jeanette Hruska, Leon Petty, Ruth Skrabanek, Alfred Heil, Marie Elvik, David Ondrasek, Mohanna Pinkston, Eddie Henderson, La Donna Kay Bush, and Charles Jones.

Mrs. Clayton Clowers had charge of the coronation ceremony, and Larry Guess sang "Stairway To The Stars," accompanied by Mrs. Marvin Joe Ralston. Ray Schwertner was master of ceremonies.

Court Affirms 2 Death Sentences

Gerald Eaton, 29, of Buckholts, one of four men who were sentenced to die in March, 1964, for the slaying of an Alabama man, has been granted a new trial, according to Milam County Sheriff Carl Black.

The Alabama Supreme Court has referred Eaton's case back for trial and has affirmed the death penalty given two other men

Cameron Joins US In Observing Fire Prevention Week

All Cameron schools are participating this week in National Fire Prevention Week. Students are preparing themes, posters, slogans and jingles for competition within their individual school.

The Chamber of Commerce, working through its Fire Prevention Committee, Bill Arthur chairman, is providing judges, ribbons and prize money for the winners in each category. Observance of Fire Prevention Week began October 3 and goes through October 9.

Since the Chicago fire of Oct. 9 and 10, 1871, which wiped out the entire business section and a large part of the residential properties of that city, fire prevention and protection have progressed from an occasional practice to the status of a science. Sound rules of fire safety are now well established and are available to all.

The fire prevention movement has been an active part in nearly every school in the United States and their continuous, systematic efforts have made a notable contribution in controlling the nation's fire losses.

In observing Fire Prevention Week, Cameron takes its place with other cities through the United States in carrying on a program which will result in a safer city in which to live.

CC Highway Fete Set For October 14

The Highway Committee of the Chamber of Commerce has set the date for the annual fellowship and barbecue honoring Cameron's local and district highway officials. The event will be held at 7 p.m. Thursday, October 14, in the city park, weather permitting.

Admin. To Outline

New School Program

Supt. D. R. Dodson and Principal Herman Brown will report on the new school program at the first regular meeting of the Parent-Teacher Association, 7:30 p.m. tonight (Thursday) at the Ben Milam Cafeteria.

Anthony Thibodeaux, PTA president, said over 300 paid memberships had been reported for the PTA so far this year.

in the case. Sheriff Black said he has been notified that the cases of John Lokos, 29, of Racine, Wisc., and Cecil Coon, 26, of College City, Calif., has been affirmed by the higher court and their date of execution has been set for November 26, 1965, at Kilby Prison at Montgomery, Ala.

The case of Harold Edwards, 22, the fourth sentenced to die in the electric chair, is still before the Alabama Supreme Court.

TRIAL STARTS TUESDAY

Black said Eaton's trial has been set for Tuesday, October 12. Eaton has been taken back to Livingston and is awaiting trial at the Sumpter County jail.

He will be tried for the death of Leonard Culpepper, 37, of Cuba, Ala.

Culpepper was shot three times and thrown into a well in December of 1963. His wife, who survived, was bound and gagged and thrown atop her husband's body. She spent 12 terror-filled hours in near freezing water before her rescue.

The four ex-carnival workers were all sentenced to the electric chair last March when they were tried in separate trials before Sumpter County Circuit Court judges.

Alabama officials believe it was the second largest number of persons sentenced to the electric chair in one case in Alabama.

The juries deliberated only 30 to 60 minutes in each of the four cases before handing down their verdict.

The four convictions were automatically appealed to the Alabama Supreme Court since a capital punishment was involved.

MEN ARRESTED

All four men were arrested by a posse near Buckholts after hitting five states during a crime spree.

Along with the murder charge, they were also charged in Texas, Oklahoma, Arizona, Louisiana and Alabama with various robbery and burglary charges after a crime spree which began and ended near Buckholts.

After being fired from a carnival at Beaumont on Dec. 4, 1963, the four began the crime spree in Polk County where several burglaries were charged to them.

Then on Dec. 9, Mr. and Mrs. J. D. Lewis of Buckholts were taken from their home at gun point, tied up and abandoned on a river bank while their home was ransacked.

The next day Mr. and Mrs. T. J. Wilen and their son Larry were tied up in their Walters, Okla., home at gun point and their home ransacked.

The search ended when they were arrested near Buckholts Dec. 16 of '63. They were sent back to Alabama from Cameron to face murder charges.

Four Wrecks In

3-Day Period, No

Serious Injuries

Police Chief Elvin Hoskins reported four wrecks over a three-day period which resulted in extensive vehicle damage and minor bodily injury.

Tuesday a pickup and car collided at the intersection of North Crockett and W. 2nd Streets. Mrs. Carrie Marak Gurecky of Cameron failed to grant right of way to a 1960 Ford pickup driven by Roland Carl Castenson of Bryan, Chief Hoskins said. The pickup was traveling north on Crockett and Mrs. Gurecky was going west on 2nd. The pickup hit the car on the left front door and rear.

Chief Hoskins estimated damages to the car in the amount of \$100 and about \$50 damage to the pickup.

A 1962 Cadillac, driven by Mayor Bassel Wilson, collided with a car driven by Albert Burnett at the intersection of 14th and Jackson Streets at 12:15 Monday. Chief Hoskins said the Wilson vehicle was going south on Jackson and Burnett was traveling east on 14th. There were no injuries. Estimated damages were \$100 to \$150 on each car.

Monday afternoon at 2:52 two vehicles collided at the intersection of N. Houston and 4th Streets. Ollie Leonard White of Cameron made an improper left turn onto the wrong lane off 4th onto Houston. Hoskins reported. A Willis Jeep, driven by Frank Joseph Karnowski of Temple, was traveling east on 4th and struck the white car at the left front door and fender. Damages to the white car were estimated at \$150 and about \$50 to the Karnowski vehicle.

White was given a traffic citation for improper left turn from the right lane.

Sunday at 5:45 p.m. two vehicles hit head-on at the intersection of 4th and Crockett Streets. Luther N. McDonald made a left turn off 4th onto Crockett and hit a vehicle driven by Betty Martin Davis of Lubbock that was traveling west on 4th. Robert Davis, a passenger in the Davis car suffered minor face lacerations and bruises.

Farmers Union

Dinner-Convention

In Cameron Sat.

Milam County Farmers Union annual dinner and convention will be at 7 p.m. Saturday, October 9, at Simon George Hall in Cameron.

State Farmers Union President Jay Naman of Waco and local ASOS Once Manager Alva Sanders will make brief talks on the new four-year Federal Farm Program currently being considered by a joint House-Senate Conference Committee in Washington.

Following a barbecue, chicken dinner to be served from 7 to 8 p.m., members will re-evaluate Farmers Union policies and adopt resolutions for consideration by the State Convention to be held in Abilene November 4 through 6, according to Charles Hensley, county president.

Dinner tickets at \$1 each are available from any officer or director of the Milam Farmers Union.

By FML

Cameron continues to gain in the State AA rankings, this week fourth by one poll.

That's pretty heady stuff even for this year's poised, balanced troops which have stormed by four teams and outgained a fifth. Midway last week was up and the Yoemen were not, though it was 20-0 prior to a late score by the fisty Midway squad.

106-106-106

Cameron's state rating going into the 17-AA conference season will be determined by their efforts against Round Rock Friday night. The RR crew defeated Cameron 17-14 last year after Cameron had upset Marlin 13-6 and before the Yoemen skinned through the '64 conference race undefeated.

As the Friday night would be Cameron's sixth straight, re-assuring that the Maroon has the touch to recoup for last year and avoid an oversized upset this year. If they do well, the sportswriters probably will figure them even a little bit higher on the rung. It goes without saying that each week each Cameron opponent will be pointing.

Five Men Charged With Cattle Theft

In Milam Court

Five men who have been charged with cattle theft in Milam District Court are out on bond awaiting their cases to come before the Milam County Grand Jury, according to Sheriff Carl Black.

Sheriff Black said cattle theft charges were filed against Sam Jones and Odell Moore, both of Gause, Ira Ross and Charles Westbrook of Hearne and Charlie "Billy Joe" Trotter of Calvert before Justice of the Peace Jess Brock in September.

Jones was arrested by Sheriff Black and the other four men were arrested in Robertson and Falls County where cattle thefts have also been reported.

Sheriff Black said cattle thieves have been working in Milam County for about six months.

Membership Drive Adds 43 Members

To Cameron Chamber

Chamber of Commerce membership drive chairman, Dr. George Bowman, announced Cameron's annual drive gained 43 new members to be one of the most successful campaigns in recent history. Total Chamber membership is now 193.

At prestime last week 24 new members had joined the Chamber. New members who were not included in last week's edition of the Herald are: Howard Chricso, Works Manager Alcoa, L. W. Stroup Jr., Griffin Barrett.

Also, Kimbrel Service Station, Rev. H. M. Bowley, Dr. Lyle McDermott, James Brock, J. R. Summers, Dan McDaniel, Jim Lowery, D. R. Dodson, A. J. Smith Sr., Thomas Harwell, J. C. Marek, Lawrence Zolt, C. R. Law, John A. Smith, Cameron Apartments and Lloyd Adams Chevrolet Company.

some 20 youngsters who pioneered in football before Yoe High School and its legendary Yoemen developed.

We're planning to run the picture on YHS Homecoming perhaps adding a touch to those festivities which, if all goes well, ought to be imposing in a season with the possibilities of this one.

For those who may have missed it, we're rerunning Don Lewis Avriett's poem on Hurricane Betsy which appeared on The Herald's editorial page September 30. We do so because this spirited, talented lady in New Orleans from time to time sends in a poetic commentary that we use. And before we do, we might say, like most readers who have not met Mrs. Avriett, that her given name fooled us.

BETSY

The lady "wasn't good" last night storming thru New Orleans with all her might

As she snorted and tore, smashed and bored

Crushing houses like egg shells As thru the night she roared.

Devastation and ruin greet our weary eyes

As the incoming dawn gilds the eastern skies—

NO, that Betsy gal we'll never forget.

In fact, I'm sorry we ever met.

—Don Lewis Avriett

106-106-106

This poem, and indeed Hurricane Betsy's destruction has significance in Cameron because of the memory of Hurricane Carla, September, 1961. This town turned out to great effect in caring for some 1,500 South Texans who escaped Carla.

Math Consultant To Conduct Adult Clinic Here Oct. 11

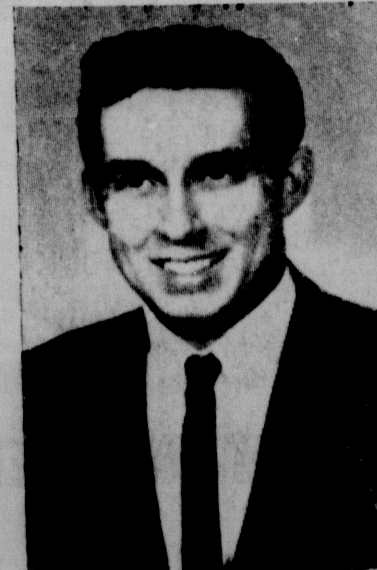

James Winder, math consultant for the American Book Company, will present a program to the adults of the Cameron community relative to the modern math that is being taught in the Cameron schools for the 1965-66 school year.

Mr. Winder will present a program in the Ben Milam Cafeteria at 6:45 p.m. on Monday, October 11 and will be available to answer individual questions.

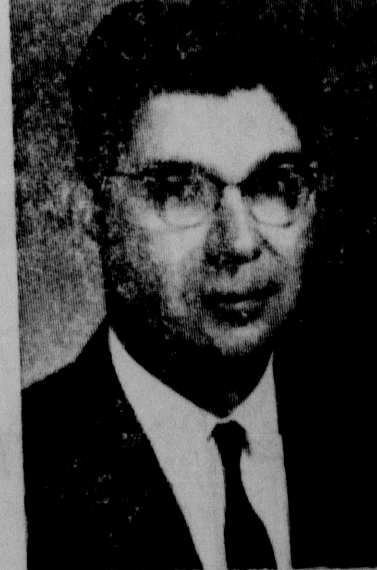

All members of the community are cordially invited to attend, Dr. Herman Brown, Ada Henderson principal, said.

Mr. W. E. Biggs of Greenville, Grand Chancellor of the Knights of Pythias of Texas and Past Grand Chancellor Floyd Seward will be honored guests. Guests from Bryan, Austin and Cuero lodges will also be present.

Tyler Man Buys Howard Chev. Co.

Lloyd Adams, formerly of Tyler, and J. Max Howard, of Cameron, this week announced the September 30 change of ownership of Howard Chevrolet to Lloyd Adams Chevrolet Co.

Howard's International Harvester dealership earlier had been bought by Cliff Wiese of Calvert who has moved the farm implement dealership to a new location on SH 36 West. Now operating as Cameron Equipment Co., it is managed by Tommy Corley.

VETERAN DEALER

Adams has been co-owner of Adams and Rusk Motor Co., Tyler, used and new car dealers, for the past five years. Prior to that, he was in sales for 11 years with King Chevrolet of Tyler. Adams Chevrolet will handle only sales of new Chevrolet trucks and cars and OK used cars.

He is a graduate of Texas A&M with a BS degree in agriculture, class of '45. He served as an instructor in the U.S. Air Force for three years, part of which were spent in the Panama Canal Zone. He graduated from Lindale High School, near Tyler. He and his wife, Frances, have two boys, Neal, a sophomore at A&M University, and Ronny, a senior in high school. The family will move to Cameron as soon as living quarters are available.

"We looked at a number of deal-

erships in the past 18 months, but chose Cameron over several other communities," Adams told the Herald.

Howard was out of town earlier this week, but extended his appreciation for past support from Cameron area residents and urged them to get acquainted with Adams and visit the dealership during the new car showing. He did not announce any immediate future plans.

IMPLEMENT COMPANY

Work is continuing on the new Cameron Equipment Co. building on SH 36 West. Corley said a regular open house of the implement dealership will be held in a few weeks.

Weise, a high school principal in Cameron for eight years before moving to Calvert in 1942, has been owner of the Calvert International Harvester Agency for 23 years.

Corley is a native of Waco and has been associated with Weise in the Calvert store for several years. He is married and has two children, Dan, 2, and Claire, two months. He will move his family to Cameron in the near future.

The new manager said Cameron Equipment Company will handle Continental Belton Company equipment and service equipment along with the International Harvester line.

Yoe B-Team 17 Strong -- Cameron's B-team, who will be the future varsity power, have chalked up a 2-2 record so far this season. Pictured are: front from left, Dennis Simecek, Robert McIntyre, Al Hefft, Dwight Jekel, Johnny

Fuller and James Nelson. Second (from left) Marvin Knight, Ray Kurtz, Charles Maddox, Paul Chandler, Johnny McLerran, and James Dohnalik. Third (from left) Mike Miller, Cotton Bryant, Gil Wallace, Trip Kuzel and Rodney Anderson.

Games Scheduled

Cameron's B-team will be looking for their third win of the season when they host the Round Rock B-team at Yoe Field Thursday night.

It will be a double header, as the Freshman Team takes to the field at 6 p.m. against the Round Rock Freshman team. The B-team game will follow at 7:30 p.m.

Cameron's Freshman team fell last Thursday to Rogers B-team 26-0.

The Yoe B-team added Reicher of Waco to their win list last Thursday in a 14-0 victory. Coach George Kirk said the B-team now has a 2-2 record, having beat Rosebud earlier in the season.

In Thursday night's action, a touchdown in the first and second quarters gave Cameron a 14-0 edge which the Reicher team was unable to overcome.

Fullback James Dohnalik scored the first Cameron touchdown when he went off left tackle from seven yards out. Mike Miller kicked the ball through the uprights to put Cameron out front 7-0.

In the second period quarterback Paul Chandler went around right end from 12 yards out for the TD. Miller again kicked the PAT.

Third and fourth period play both teams were able to launch a scoring drive as the defensive units continued to play tight ball.

Red Cross Announces Expansion Of Services In Central Texas

The Central Texas Red Cross Blood Program has expanded its service to include families living outside the region served by the Waco Center. The service is contingent upon the donation of at least one pint of blood each year from a member of that family.

A. G. Scofield, manager of the Central Texas Blood Program headquartered in Waco, said that this new service is in addition to the coverage now given to all

citizens residing in the eleven-and-one-half county region served by the Waco Center. He noted that all persons living in the region are covered regardless of donations.

The new expanded policy covers families outside the Red Cross Blood Region and is contingent upon two requirements, Scofield pointed out. First, the blood giving

must be transfusable, and second, the program does not provide for an illness or condition existing or reasonably anticipated at the time of the donation.

Ed Vincent, Rockdale Blood Chairman, said the new policy would provide an extra service for those who lived in nearby counties not served by the Blood Center. For example, he pointed out, a family in Lexington can now be covered by participating in the blood drawings held in Rockdale or other drawings in Milam County.

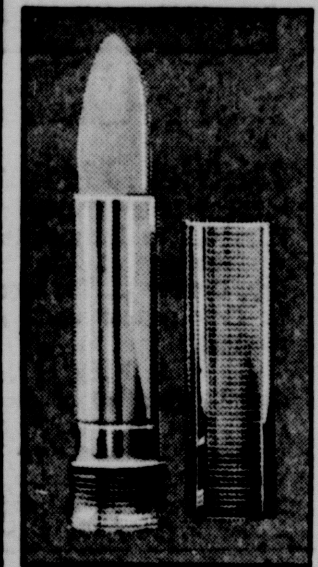

To become eligible for this service by the Red Cross, Scofield said a person living outside the region must first sign the Central

Texas Red Cross Blood Program Blood Eligibility Policy and then donate a pint of transfusable blood. The policies can be obtained either at the Blood Center in Waco or from the Red Cross Chief Nurse, Milady Bauer, when the bloodmobile makes trips to surrounding counties.

Also included in the new policy is a plan that will cover a specific group of people. This group, or representatives of the group, must meet with the administrative staff of the Central Texas Red Cross Blood Center and set up a plan to give a certain amount of blood during the year so they and their families may be covered. Under the policy.

Dizzy Dean To Star At Rodeo

HUNTSVILLE

Fans attending the second performance of the 34th Annual Texas Prison Rodeo here Sunday, October 10th, will be privileged to see and hear Dizzy Dean, former baseball great and colorful sportscaster.

Dean, whose unusual style of patter has made him a crowd-pleaser all over the nation, also gained favor with his singing rendition of the "Wabash Cannon Ball."

During his personal appearance here, Dean will autograph and present baseballs to a group of rodeo ticket holders.

In 1933, Dean established a National League strike-out record when 17 Chicago Cubs went down before his blinding speedball. He was elected to the Baseball Hall of Fame in 1933.

He rose to fame as a pitcher with the St. Louis Cardinals. Later he coached the Chicago Cubs before turning to radio broadcasting and then television.

While Dean is entertaining the rodeo crowd, convict riders will have a "breather" from the thrilling and bruising rodeo contests which highlight the rodeo each Sunday in October.

Along with the convict contests, rodeo officials also feature inmate entertainment groups who help balance the fast-moving two-hour show.

The rodeo begins at 2 p.m. and Five men who have been a special inmate variety show begins at 1 p.m. Rodeo gates open at noon.

Net proceeds from rodeo ticket sales go to aid the rehabilitation of nearly 13,000 inmates of the Texas Department of Corrections.

Cancer Society Gives Co. Special Award

Rev. Eugene L. Strickland was Milam County delegate to the American Cancer Society District Annual meeting in Waco October 1. Milam, Bell, Coryell, Erath, Hood, Johnson, McLennan and Navarro Counties were presented special awards for "Bettering Their Best" in the 1965 Crusade.

Dr. Hanes H. Brindley of Temple, key speaker at the morning meeting, told delegates, "We could be saving 41,000 women a year with full utilization of all techniques to fight uterine cancer. As it is, this form of cancer, in all its stages, results in only 56 per cent survival of the 44,000 women who will develop it this year."

Delegates from the 15 counties comprising District 12 attended the meeting. Elected to the ACS State Board of Directors were Miss Lucy King of Stephenville, Dr. Lloyd O. Russell of Waco and Dr. Hanes H. Brindley of Temple.

wagon. Bonneville styling thins and lengthens the entire side appearance. The Brougham is also available as a Bonneville option. All models offer the Pontiac V-8 engine as standard equipment.

Tempest Leads In Pontiac Changes

Pontiac Motor Division's 1966 models, from the Tempest to the Grand Prix offer extensive advancements in automotive styling, engineering, safety and model availability.

The entire Tempest line has been redesigned, expanded by the addition of five new models including a new GTO series, and for the first time in an American passenger car, an overhead camshaft six-cylinder engine is offered as standard equipment on all Tempest models except the GTO.

A new series, the 2 Plus 2 with two models, and a new Star Chief Executive sports coupe has been added to the Pontiac line-up and all models, including the Grand Prix, incorporate both refinements in profile and complete changes in the front and rear.

"Our new models are a true reflection of Pontiac's policy of continuous and evolutionary progress in automotive design and with our new overhead cam engine we feel we are presenting a major engineering breakthrough as well," John Z. DeLoe, a General Motors vice president and Pontiac's general manager, said.

The Catalina, 2 Plus 2 and Grand Prix have an overall length of 214.8 inches, 0.2 inches longer than last year, and a wheel base of 121 inches. The Star Chief Executive and Bonneville measure 221.8 inches overall, a 0.1-inch

increase, and their wheelbases are 124 inches. All Tempest models are one-half inch longer overall, measuring 206.4 inches, and have a 115-inch wheelbase.

All Pontiacs go on sale in dealer showrooms October 7.

MODEL LINE-UP
Pontiac has increased the number of models from 26 last year to 33 in 1966.

The Tempest series includes a sports coupe, four-door sedan and station wagon.

In addition to the four-door hardtop, which is new this year, a sports coupe, four-door sedan, hardtop coupe, convertible and station wagon are available in the Tempest Custom.

A Le Mans four-door hardtop is also new for 1966 and it joins a sports coupe, hard-top coupe and convertible in that series.

The new GTO series includes a sports coupe, hardtop coupe and convertible.

The Catalina series has a two and four-door sedan, a hardtop coupe, four-door hardtop, convertible and both a two-seat and three-seat station wagon.

The new 2 Plus 2 series offers a hardtop coupe and a convertible.

A four-door sedan, four-door hardtop and a new model, a two-door hardtop coupe, are available in the Star Chief Executive series. A Bonneville hardtop coupe,

four-door hardtop, convertible and station wagon are offered in that series and the Grand Prix hardtop coupe tops Pontiac's new car list.

New roof lines give the 1966 Tempests a completely new styling theme and big car appearance. Body side sculpturing is noted by its clean simplicity with a suggestion of sports car flair. Both coupes and convertibles are noticeably faster in profile with dropping belt lines and on the coupe a complete break away from conventional upper design prevails.

Tempest front end appearance retains the split grille design but has been styled to give an even wider stance. Deep tapered air intakes are framed with narrow bright chrome edges and recessed within the dynamically sculptured front end sheet metal. Each front end is identified by appropriate emblems and series identification.

Building Starts For Lutheran Parsonage

A three bedroom brick home is being built for the Hope Lutheran Church parsonage at Buckholts. Crawford and Rogers Lumber Yard were awarded the contract for the parsonage. Mr. Edmond Pimpler is the builder.

A two-week building fund drive started Sunday under the direction of the Stewardship Committee. The former parsonage was purchased and moved by Mr. Joe Glaser. Building on the new home got under way last week with the laying of the foundation.

Rogers Eagles Face Holland Sat., Edged Caldwell For Second Win

The Rogers Eagles will travel to Holland Saturday to meet the Holland eleven in their last non-district contest of the year. Game time is at 8 p.m. They will be trying for their third win of the season after their win over Caldwell last week.

Rogers hit hard in one quarter against Caldwell Friday night to rack up their second win of the season against two losses.

The Eagles hit for two scores in the second quarter and allowed Caldwell only one TD to come out on top 14 - 6.

The Eagles drove 51 yards for their first touchdown with quarterback David Sebek passing to end Ray Schwertner for the final 15 yards. Jimmy Mayfield kicked the extra point.

Two plays after the kickoff, Rogers scored again. Defensive halfback Ray Sulak intercepted a pass and raced 60 yards to paydirt. Jimmy Mayfield again kicked the PAT and Rogers led 14 - 0 at halftime.

A 28 yard pass to halfback Kelly Strong put the Caldwell Hornets on the scoreboard in the

fourth period. The touchdown capped an 82 yard drive by the Hornets.

Rogers had two other threats which died inside the Caldwell 20 because of penalties. The Eagles were hampered all night with penalties having 11 for 75 yards.

A tough Rogers defense was led by left halfback Jimmy Mayfield, linebacker Doyle Harris and guard Bill Sparks. Strong and linebacker Bill Kornegay paced Caldwell.

The Eagles had eight first downs and 112 yards rushing and 117 yards passing. Caldwell totaled 5 first downs for 110 yards rushing and 57 yards in the air. Rogers completed 10 of the 23 attempted passes while Caldwell had

six for 12. The Eagles intercepted two passes and lost the ball once on a fumble.

When the Eagles meet Holland Saturday, slot back Clayton Waits and end Marvin Luksa are expected to be back in the lineup after missing the Caldwell game.

Tail back Cyril Gloria will miss action due to a bad ankle injury suffered in the Caldwell battle.

Milano Six Blast Normangee 48-24

The Milano Eagles came from behind the chalk up a 48-24 win over the Normangee Six at Normangee field Friday night.

It was quarterback Allen Woods and halfback Algie McGowan that sparked the Milano squad each having a hand in three touchdowns as the Eagles overcame a 16-14 deficit in the second quarter.

Normangee's Skip Jenkins scored on the opening kickoff when he ran for 75 yards and then kicked the extra point.

Milano scores came on two

touchdown passes to George Bankston for 17 and 18 yards and Woods' 40 yard run for another.

McGowan scored on runs of 17 and 2 yards and passed to end Philip Lopez for 22 yards and another tally. Larry Wadlington added the other Eagle score on a three-yard run. Grover Morgan kicked two extra points for Milano.

Normangee's two other scores were by Charles Barrington on an 18 yard run and Danny Grimes on a 13-yard run.

The Eagles had 10 first downs and held Normangee to six. The Milano squad chalked up 447 yards rushing, 169 yards passing on 11 pass completions. Normangee had 343 yards rushing and 33 in the

Variety, Safety Chevie Notables

Variety, safety and new peaks of luxury highlight the 1966 Chevrolets—plus the greatest assortment of models in the division's 50-year history.

E. M. Estes, general manager, said the new Chevrolets, totaling 50 models in six passenger car lines, will go on display in dealer showrooms on Thursday, Oct. 7.

"Model, option, color and interior combinations in the new Chevrolets number in the billions, giving the buyer an unparalleled opportunity to individually customize his car," Estes said.

New Chevrolets are on display beginning Thursday at Lloyd Adams Chevrolet Co., Cameron.

Principal features include:

New Models — A Caprice top-of-the-line series with four prestige models is added to the top selling regular Chevrolets. A four-door hardtop joins the Chevelle line, plus a distinctive Super Sport 396 series.

Styling — The Chevy II receives its first complete redesign since introduction in 1962 models. The Chevelle is restyled, there are design refinements in the Corvair

and Corvette, and the regular Chevrolet has an even "bigger car" look.

Safety Features — Numerous safety features are made standard on all models ranging from a padded instrument panel and padded sun visors to rear seat belts and backup lamps.

Mechanical Features — New engines include a 250-cubic inch L6 and two 427-cubic inch V-8s. A new three-speed fully synchronized transmission is standard on all Chevrolet models.

Options — Offered for the first time, in addition to the more than 400 options and accessories already available to Chevrolet buyers, are a single-dial automatic heating and air conditioning system, a bench front seat with center armrest, adjustable front seat headrests and tilt-telescoping steering.

Interiors — Restyled, high fashion interiors are featured in all models. Bucket seats in Chevelle, Chevelle and Chevy II models are a new slim "strato" design. Each of the 14 station wagons has an air-vinyl interior.

Here are details on the regular Chevrolet lines for 1966.

Regular Chevrolet — Headed by the luxury Caprice series, there are 19 models in five series. A color-keyed paint stripe distinguishes the Caprice Custom coupe — which has a special rooming unique among all Chevrolet models — and the Caprice Custom sedan. The two Caprice Custom station wagons have walnut grained exterior trim. All Caprice models have high prestige interiors.

The regular Chevrolets have a more powerful appearance, with a forward-thrust to front fenders and bold horizontal bars in the grille. Individual moldings and ornamentation designate each series. All have taillamps integrated

into the rear quarters and deck giving a wider look.

Structural improvements have been made in both chassis and body. New springs, shock absorbers and softer bushings and body mounts increase smoothness and quietness of ride. The 10-inch wheelbase is retained.

Performance of the base six cylinder engine is improved by increasing displacement from 230 to 250 inches. Six V-8s are available, including the two new 427-cubic inch engines. Horsepower range is from 155 to 425. Five basic transmissions are offered, including Turbo Hydra-Matic.

Future Homemakers

Install Members

Installation of new members of the Future Homemakers of America of the local chapter was held September 27.

Judy Young presided at the meeting. All officers were dressed in white and each told the eight purposes of F.H.A.

Immediately following the meeting refreshments were served in the living room of the H. E. Department.

Miss Ramke Hosts

B&PW Club Meeting

The Business and Professional Womens Club met Monday evening at the First National Bank for their regular business meeting. Miss Anna Marie Ramke was hostess for the meeting.

Attending were 9 members and 2 guests: Mrs. Davis Stephens and Miss Carol Bennett.

A dessert plate and hot spiced punch were served during the social hour.

Caprice Custom Coupe

NEW CAPRICE BY CHEVROLET

Custom Coupe, Sedan and two luxurious new Custom Wagons now. Liquid smooth ride. Power you can order just as

smooth and pin-drop quiet. Turbo-Jet V8 engines that go all the way up to 425 hp. Shimmering new interiors. The look of hand-rubbed walnut trim. Elegance everywhere. Made by Chevrolet, so you know what a beautiful value it must be.

NEW CHEVROLET JET-SMOOTHER

We've again specially tailored those coil springs at every wheel to each body style. We've put in new softer shock absorbers. No Chevrolet has ever had a ride like this. Power begins with a thrifty Six at 155 hp, and goes on from there. Turbo-Jet V8's available at 325 hp, 390 hp and 425 hp in all the new Impalas, Bel Airs and Biscaynes. Model shown: Impala Super Sport Coupe.

NEW CHEVELLE SUPER SPORT 396

New 300's. New 300 Deluxe models. New Malibus. And two new Super Sport 396's—coupe and convertible—with engines that tell you exactly what kind of Chevilles they are. Both are available with 396-cu.-in. Turbo-Jet V8's, either 325 hp or 360 hp. And both come with special hood, grille, suspension, emblems, red stripe tires, floor-mounted shift. Twelve beautiful new Chevilles in all—and all as new inside as they are outside, headlights to taillights.

REASONS WHY YOU MIGHT CONSIDER SELLING YOUR FARM OR RANCH

1. Mechanical power, machinery, fertilizer, seed, and livestock cost so much in this country. We have an average investment of \$22,000 for each farm worker on the farm.
2. It takes an average of \$73,000 to bring in an annual NET income of \$3,500.
3. It has been estimated that with current margins, an average farmer must sell \$10,000 worth of products to net an annual money income of \$2,500.

WELL . . . you might sell . . . NOW . . . and reap a handsome profit, however, it is highly unlikely that you can sell your property for twice its actual Present Market Value.

Supply and Demand always sets the price you may expect. Your property is worth only what an Able Buyer is Willing To Pay For It.

We can find a Buyer . . . (if given enough time) that will pay the top dollar for your property with bring on Today's Market. Consult with us . . . if you really want to sell.

Yoemen Invade Round Rock In 'Revenge' Battle Friday

Cameron Undefeated, Going Into Last Non-District Game

Revenge will be in the air Friday when Coach George Kirk's fighting Yoemen invade Round Rock remembering the 17-14 licking the Dragons handed them last year.

The Yoemen will also be trying to continue on the undefeated path when they go into their last non-district game of the season.

Round Rock of District 18-AA, boasts a 4-1 record for the season. They have fallen only to Llano, one of the 28-AA high school teams in the state who are still undefeated, according to Coach Kirk.

Cameron, rated sixth in the state last week, will be trying to hit the "spoilers" and stop them from following through as they

Yoemen Rally In Fourth To Defeat Midway 20-7

By L. E. Sapp

Cameron's Yoemen had to earn the title "fighting" Friday night when they met a bunch of inspired Midway Panthers. In Midway, and continued on the undefeated road.

Two long scoring plays and a 15-yarder took them to a 20-7 win over the Panthers, but the underdog Class A Panthers fought the Yoemen as hard as any team this year.

It was a defensive battle all the way and Cameron's quarterback Mack McKinney and fullback Mike "Bull" McDaniel were held to only 23 and 67 yards respectively.

Halfback Don Manley, who broke loose on a 74-yard scoring run, paced Cameron with 92 yards on eight carries.

Another halfback, James Hoskins, who scored on a 54-yard pass, racked up 44 yards on nine runs.

DEFENSIVE GAME

These two scores gave Cameron a 13-0 lead that Midway could not overcome.

Football fans saw a thrilling defensive battle all the way with two quarters scoreless.

In the first period Midway threatened twice while the Yoemen were unable to cross the Midway 36.

The Panthers moved to the 13, were hit with a 15 yard penalty, and could not pick up another first down.

They threatened again when halfback Donnie Spitzer shot loose on a 45-yard run. He was stopped by end Newton Burnett and Bill Goeke at the 16. From the 12, quarterback Johnny Monica shot a pass downfield that was picked up by Ronny Young. Young, a tackle on the Panther squad, was an ineligible receiver and the Panthers lost control of the ball after moving to the two yard line on the pass.

On the first drive in the second period, Midway covered a Cameron fumble and moved to the Cameron 44 where McKinney intercepted a Midway pass.

MANLEY RUN

Taking over on their own 29, the Yoemen moved to the 26 when

son.

But the Yoemen have also given up very few points during their first five games of the season. While scoring 135 points, they have given up only 20 points to their opponents.

PRO-OFFENSE

Coach Charles Nelson's Dragons are known to play a pro-offense with split end and split backs on nearly every play.

"They can pass and throw the ball 10 to 15 per cent of the time," Coach Kirk said. "They also have good running backs but when they can't move on the ground, they take to the air," he continued.

Quarterback John Zamarripa passes to the ends and halfbacks and one of their best receivers is left halfback Tony Mays, one of the line on speeasters.

YOE CHANGES

Coach Kirk said Cameron may see some change in the offensive lineup this week. Forrest Green is showing much improvement and is pushing for the left halfback slot. He will probably alternate with James Hoskins.

Bobby Schiller will be in at right tackle for James Hosch who is out with an injured knee suffered in practice last week. Schiller will also take over the duties on the defensive unit.

David Kratochvil is pushing Dennis Rose for the left tackle slot and may see some action against Round Rock. Doug McFarland, halfback, is still out of action, Kirk said.

Buckholts Still Undefeated, Travel To Trinidad For Six-Man Action Sat.

Buckholts mighthy fighting Badgers travel to Trinidad Saturday night eyeing what they hope to be their fifth win of the season. The Badgers go into their last non-district game still undefeated this season. Game time is 7:30 p.m.

Last Saturday the Buckholts varsity scored twice in the first two minutes of play and sat on the bench the rest of the night as the Badger reserves went on to defeat the Covington Owls 53-9 in a non-district six-man game in

Jr. High Split Wins, To Meet Rockdale Thurs.

Ada Henderson eighth grade team went down last Thursday while the seventh grade team came through to win over the Round Rock Junior High team.

Round Rock outscored the Cameron 6th grade team to the tune of 20-14.

Bill Ferrin, fullback, scored both of Cameron's touchdowns going once over right guard and smashing through right tackle for the second tally.

Cameron's seventh grade team hit the Round Rock squad 12-0. Robert Brashhear went around right end from five yards out for the first touchdown. Defensive right tackle James Mueck intercepted a pass and went 70 yards for the second touchdown.

UPCOMING GAME

The seventh and eighth grade team will travel to Rockdale Thursday to meet the junior high teams at Tiger field. Game time for the 7th grade game is 6 p.m. and the 8th grade game will begin at 7 p.m.

District 17-AA Grid Report

By L. E. Sapp

Cameron was the only team in District 17-AA to come through on top last Friday.

The Tigers in Rockdale fell to Belton in one of those coaches nightmares while Caldwell was edged by Rogers one touchdown. Hearnne couldn't contain Taylor and Navasota fell to A&M Consolidated.

Friday was one of those nights for the Yoemen. They had been well scouted and Midway had been coached well.

It was related that the Midway mentor said they stopped the one-two punch—but it was the third, fourth and fifth that got them.

And the spirited defensive unit of the Midway Panthers did just

that. They held McDaniel to 67 yards and quarterback McKinney to only 23 yards. But the third "M" Don Manley broke through for a 74 yard beauty. James Hoskins rallied and Forrest Green added the other punch."

Coach Kirk says tackle James Hosch, co-captain for the Yoemen, will be out again Friday with a knee injury. Halfback Doug McFarland is also out of the Yoemen lineup due to an injury received earlier this season. The rest of the squad is ready and rarin' to go, having only bruises they received against Midway. (They had the best defensive and conditioned unit the Yoemen played this year, the Cameron coach thought.)

Rockdale hit a bit of bad luck Friday, or Belton hit a streak of good luck. In the last seconds of play Travis Hitt of the "Big Red" squad pranced 94 yards on a kick-off to go ahead 18-14.

We're hoping that Frank Norman, Belton quarterback, who was injured early in the game is coming along all right. He received a concussion when he was tackled on the sixth Belton offensive play and was later taken to Sewell-Long Hospital.

Hearnne must have hit a mighty high Taylor Duck squad Friday night when they fell 32-6. It was the third loss for the Eagles so far this season against two wins. Caldwell, a young and inexperienced team, was unable to contain the Rogers Eagles Friday and led to the tune of 14-6. But those who have been watching Rogers can tell that Coach Donald Godwin has been working the Eagles toward one that can pass or stay on the ground. Rogers picked up 117 yards on the ground and 112 in the air.

Navasota, the other District 17-AA contender, fell to A&M Consolidated 20-7. It was the fourth loss for the Rattlers in non-district competition.

One more game, and then we will see what kind of techniques the district coaches have been drumming up to upset the other.

October 15 will be the first "Red Letter" day for Cameron. They will meet Hearnne, the team who was picked as one of the possible contenders for the District title.

But any team in the district could and would like to be the "big spoiler" for the Yoemen who are still undefeated.

The saying that Cameron had better watch Hearnne and the Rockdale Tigers had better be extended to Navasota and Caldwell as well.

It's these teams you aren't watching that gives with the belly punch when you aren't looking.

A&M Man To Talk On Fertilizer

By J. D. Moore

A meeting to discuss fertilizer use in the area will be held at the Methodist Fellowship Hall in Cameron on Monday night, October 11, at 7:30 p.m.

Mr. John Box, agronomist from A&M will be guest speaker. Mr. Box is the Coordinator for the Blackland Income Growth Project. This program has added an average of one million dollars a year income per county throughout the Blackland area. Most of

this increase has been brought about by the use of commercial fertilizer. More than 10,000 tons of commercial fertilizer was sold in Milam County last year. This figure represents a sizeable retail figure.

The fertilizer program will be sponsored by all the fertilizer dealers in Milam County in cooperation with the Milam County technical action panel and the County Crops committee. Coleman Duncan is chairman of the crops committee.

Henry Ivey, F.H.A. official, is chairman of the technical action panel. This panel is made up of representatives from all of the agricultural agencies in Milam County.

Fertilizer dealers are encouraged to invite all their customers to the meeting. Tables will be made available for the purpose of displaying educational material dealers may have.

Local fertilizer dealers sponsoring the meeting are Cameron Seed Co., Eastern Seed Co., G. & R. Fertilizer Co., Farm and Ranch Store, Mack's Liquid Fertilizer and Milam Grain Company.

WARNING ON COTTON

Entomologists at Texas A&M University are cautioning farmers against grazing livestock on harvested cotton fields that received pesticide treatment late in the growing season. Likelihood of residues being on meat from animals grazed on after harvest is further increased by late season use of insecticides, defoliants and desiccants.

A LOT OF WATER

An inch of rain over a 160-acre farm delivers 4,356,000 gallons of water weighing over 18,000 tons. To transport this amount of water would require 544 tank cars of 4 trains, each over a mile in length.

Land Clearing Cost Varies

COLLEGE STATION

"What does it cost to clear an acre of brushland and establish a good pasture cover?" This question is often asked by Texas farmers who need to clear more land for pasture but aren't sure of the cost involved or even whether the clearing cost will ever pay for itself.

In Franklin County, on the H. J. Andrews farm near Mount Vernon, 26 acres have been cleared and accurate cost records kept, says County Agent Charlie Brown.

Pushing and burning costs were \$52 per acre, fertilizer cost was \$11 an acre and seed \$2.50 per acre. Total cost: \$65.50 an acre. The Andrews land was thick with brush and trees, and Brown points out that clearing costs will always vary according to density of brush and locality. It may run as high as \$100 an acre.

The Andrews land was seeded with 5 pounds of common Bermuda grass an acre and has a good cover now. Cattle are stocked on the pasture at the rate of a cow to every two acres.

The trees and brush were pushed off by a bulldozer with an A-type blade which slides flat along the ground and cuts the tree trunks and brush. Brown says a large bulldozer with this type blade can cut trees up to 42 inches across.

The brush on the Andrews farm was pushed into windrows and aligned with the prevailing winds (southeast to northwest) and burned two weeks after cutting.

Brown said it's a good plan to burn brush from 10 to 13 days after cutting, more of it will burn at that time than any other.

TAKE YOUR PROBLEMS TO CHURCH THIS WEEK

Millions Leave Them There!

"HI-YA PODNERS"

"Startin' out on a round-up or are you practicin' steer tyin' for next week's rodeo?"

Children are quick to impersonate the characters they see in their favorite sports, movies or on T. V. programs. They easily learn the mannerisms, speech and dress of those who interest them. This faculty can prove beneficial, or again it may prove harmful.

Because of their aptitudes, when tempered with the proper degree of restraint and guided in the right direction, they may be made to understand that just as play exercises the body, attendance at church exercises the mind and character. They can easily be made church conscious and learn to enjoy its services. They will hold on to its teaching for the rest of their lives. As careful attention should be paid to their moral and spiritual education as to their school training. They can learn of, and be led to have the desire to follow in the steps of righteous and noble people of this and preceding generations. A parent or guardian can do no greater service for a child than that of making attendance at church an important part of his or her weekly training.

Lions Club Plans

Broom - Mop Sale

The Cameron Lion's Club has announced that their annual "Broom and Mop" sale will be Tuesday, November 2. Albert McCullin Jr., director of the Broom Sale, stated that there will be selling booths at the Yoe High Gym and the County Court-house as before. Also members of the Lions Club will sell from house to house during the late afternoon hours. If for some reason anyone is not contacted but would like to make a purchase, they are asked to call OX 7-4642 and turn in their order.

The Lions Club has numerous projects during the year and money from sales such as the "Broom Sale" is used to finance them.

Brush The Rust Away

Take an old shaving brush and soak the bristles in oil. Then store in your tackle box.

A fast pass over spoons, spinners and such before they go back in their compartments keeps 'em bright and shiny. Oil stays in the bristles for weeks.

FOR CLEANER JACKETS

Use of plastic bags to slip game in, or maybe the liver of a killed deer, will keep game fresh and jackets clean.

THE FAMILY LAWYER

Mischief in Mind

"There is no law," said Oliver Wendell Holmes, "against a man's intending to commit a murder the day after tomorrow."

But suppose the man still has mischief in mind when the day after tomorrow comes. And suppose he aims a gun at his intended victim and fires a shot. Then, even though he misses, he has indeed committed a crime: attempted murder.

Evil intent, by itself, is never a crime. Our jails would overflow if we punished every person who, however fleetingly, intends to cheat, slander, rob, or assault somebody else. There must surely be 1,000 clenched fists for every thrown punch.

Nor is active preparation necessarily a crime. The man who buys a gun, with murder in mind, is not yet guilty of attempted murder. The man who puts matches in his pocket, with arson in mind, is not yet guilty of attempted arson.

At what stage does unpunishable preparation turn into punishable attempt? Where is the "point of no return"?

One test is the "specialness" of the preparation. A man who acquires special-purpose printing plates may be more clearly committed to the crime of counter-

feiting than the man who acquires general-purpose ink.

Another test is the nearness, both in time and space, of the crime itself. The man two days away from a murder, in Holmes' example, still has time to cool off. A man planning a burglary in another city may yet change his mind before arriving at the scene of the crime. The law makes due allowance for the chance that either prudence or conscience will bring his effort to a halt.

But when the preparation is unmistakably evil, and when the victim is put in imminent danger, the law says a criminal attempt has been made—even though no actual harm is done.

For example, a cook who mixed poison into her employer's oatmeal was held guilty of attempted murder even though he decided not to eat it.

True, she might have relented at the last moment and snatched the dish away. However, the court concluded that a woman who would go that far did not belong in a kitchen, serving oatmeal, but in a jail, serving time.

CARD OF THANKS

"HE IS JUST AWAY"

In memory of Henry Dreyer His last words were, "I will be all right."

Should you go first and I remain to walk the road alone I'll live in memories garden, dear, with happy days we've known. In spring I'll wait for roses red. When faded, the lilacs blue. In early fall when brown leaves fall,

I'll catch a glimpse of you. Should you go first and I remain for bottles to be fought

Each thing you've touched along the way will be a hallowed spot. I'll hear your voice, I'll see your smile.

The blindly I may grope, the memory of your helping hand will buoy me on with hope.

Should you go first and I remain one thing I'll have you do. Walk slowly down that long, long path

for soon I'll follow you. I want to know each step you take. So I may take the same

for some day down that lonely road you'll hear me call your name.
